Ref.C.No.11279-28. South Kanara Collector's Office,
Camp, Kundapoor, Dated 8-3-1929.

From

H. Wells, Esquire, M.A., I.C.S.,
Collector of South Kanara.

The Secretary to the Board,
Land Revenue & Settlement,
Madras.

Sir,

Allowances - Tasdik -Mangalore Taluk - Sangabettu village - Chandranath Basti -Institution -arrears of lapsed deposits -Payment -sanction requested.

I solicit the Board's sanction for the payment of the lapsed deposits of tasdik amount due to the above institution for the 4 years from 1330.

2. The institution in question has an annual tasdik of Rs 14/-. The amount due to it was credited to Revenue deposits from Fasli 1330 as the moktessor died in 1921 and no fresh moktessor was appointed till February 1927 by the Jain Temple Committee though the present moktessor applied to the Committee for a sanad in 1922. The Tahsildar reports that the moktessor applied for the payment of the tasdik soon after he got the sanad, that the failure to apply for the payment of the allowance arose not from neglect but from disability. He also adds that services were regularly performed and that the institution was in good condition during the period for which the arrears were left undrawn and recommends the payment of the amount of arrears still remaining to be paid for the 4 years from Fasli 1330 to 1333. As these arrears which were held in deposits have already lapsed to Government, I request the Board's sanction for the payment subject to the usual deductions.

3. As the institution has not been struck off the register owing to its having been in good condition and to the services therein having been regularly performed throughout

the period, the tasdik allowances for the subsequent years from Faslī 1334 have already been disbursed by the Tahsildar.

Your obedient servant,

For Collector.

Please see the Chief's letters at pp1-2 and 4 c. 29. under B.S.G. No. 67/(7) para 1 - the Board can readmit claims to lapsed pensions or allowances the payment of which was not sought for more than 6 years provided that the failure to claim the allowances in time was not due to neglect but to disability and that the institutions were in good order and the services properly rendered during the period for which they were not drawn.

U.S.G. Vol I. p 168

In the present case the failure to claim the allowance as it fell due was due to disability as the moktessor was not granted the certificate till 1927 though he applied for it in 1922. The institution is reported to have been in good repairs and the services have been properly rendered. There is no question of readmission of the institution as it was not struck off the
